

Power of Your Presence

Open Enrollment Workshop

November 12-15, 2024

**Hilton Garden Inn
Rockville, Maryland**

- ★ Enhance professional presence, personal impact and influence
- ★ Polish communication skills and leadership style
- ★ Increase poise under pressure and the ability to persuade

Marie Moran & Company's signature 3½-day workshop assists individuals and leaders to enhance their executive presence, develop interpersonal impact and effectiveness, hone their personal presentation style, and develop greater poise under pressure.

Our small group format ensures intensive individual attention and reinforcement in a warm, encouraging environment. The workshop features extensive practice exercises, two (2) confidential coaching sessions, private feedback on video recorded executive briefings, and tailored action plans for continued development. Participants gain self-awareness of their individual style plus actionable ways to greatly enhance their impact and influence. They take away proven principles and practical techniques for demonstrating a dynamic leadership style.

Power of Your Presence is our top-rated “deep change” workshop, consistently delivering observable improvement in essential executive skills. It is our most requested offering by client organizations for their high-potential leaders.
